Chamber Chatter

By IRENE GROVE

"Who has money to burn?" Have you? Of course you haven't . . . No individual, business or community can afford the great damages caused by fires each year. Did you know that property losses resulting from fires throughout this country of ours reaches an annual total of $1,000,000,000? That is a lot of money to burn.

Fire losses cannot be avoided entirely but they can be reduced through a vigorous fire prevention program and on the community level. That is why President Eisenhower has proclaimed this week, October 4-11, "Fire Prevention Week".

How lucky we are that thanks to the never ending efforts of the Albany Fire Department, we live in a "fire safety city". Total property damage in 1958 in our city was only $125 . . . but it is up to us to keep it that way. Take a look at the "Fire Prevention Week" display in your Chamber of Commerce window with the figure of the vigilant fireman . . . help him do his part by practicing fire safety rules, not only this special week but all fifty-two weeks of the year.

An envelope with a familiar red torch symbol has been handed you as business men and women of Albany this week . . . Let's all be "Good Guys," make those contributions promptly and "give big". Let's do our part to help

Rotary Program And Assembly On Next Tuesday

Members of the Albany Rotary Club will have a busy day next Tuesday. There will be the usual noon luncheon, with Merle Goddard as the speaker on the topic, "Politics and Its Effects on You." Goddard is the assistant executive secretary of the California Grocery Association. Joseph Dagna of Dagna's Market will be chairman of the day. The club meets at Spenger's Restaurant, on Fourth near University.

The same evening of October 13 the club will hold a special Club Assembly, starting at 6:30 with a social hour and dinner at 7:30, during and following which there will be a general and informal discussion of club plans and preparations for reception of the Rotary District Governor on October 27.

The visit of the district governor, Eugene W. Ridout, will include an address by the governor at the noon session, with an evening meeting at which he will preside.

Last Tuesday the club was addressed by Officer Lee Wood of the California Highway Patrol, who spoke on "Highway Safety and the New Laws."

Skate Day At Terrace Park

Terrace Park will hold Skate Day, Wednesday, October 14. The races will begin at 4 and playground awards will be given.

A variety of low-organized games are held daily from 2:45 to 3:45 p.m. under the supervision of playground director, Marian DeSoto.

Terrace Park youngsters are now beginning work on several "special" craft projects and plans have already been formulated for a "super" Halloween party at the end of this month.

Albany Is Host To Alameda Co. Mayor Group

This Friday, October 9, the City of Albany will be official host to the mayors and officials of the other twelve cities of Alameda County. The affair will take place at the Golden Gate Fields race track, and will include an afternoon at the races, followed by a banquet in the Turf Club in the evening.

Facilities of the track and the Turf Club have again been donated to the city by the club management, including facilities of the Turf Club parking lot, which may be entered from the Gilman Street extension.

Mayor Jerome Blank will be assisted as host at the banquet by members of his city council, Vice-Mayor Leonard L. Keck, Councilman William T. Donahue, Councilman Lewis M. Howell, and Councilwoman Kathe Zahn.

These meetings of the Mayors' Conference are held monthly, and rotate from city to city. Special meetings are frequently called at other times when matters requiring immediate action arise.

In addition to the mayors, the meetings usually are attended by city managers, as well as other city officials who may be invited by each individual mayor.

United Nations Month at Marin

United Nations month will be appropriately observed at the October 13 Marin PTA meeting as "You Asked For It."

In the Marin cafeteria, at 1:30 p.m., an exceptionally exciting program will include Mrs. Jessie J. Williams, teacher of Citizenship and English for the foreign born, at the Albany Adult Education Center, and her students, who will offer their native songs and fiery dances.

As an additional feature, four chairmen will be presented: Magazines and Emblems, Ways and Means, Telephone and Homemaking; the First grade mothers will be the special guests of the day.

Parents and friends are invited to come and enjoy this stimulating and unusual program.

ATTORNTY WALTER BROPHY, left, secretary of the Albany Lions Club, and Phil Martin, club president, practicing their sales argument on Brophy's secretary, Mrs. Roberta Austria. The Albany Lions are in the midst of a sales campaign which they call their "Lite A-Thon." Each year the members go out from door-to-door selling cartons of light bulbs to householders and business folk. The bulbs are put up in assorted sizes, and sell for $2 per package. At last reports they were well ahead of their schedule. — Gazette photo.

Albany Women Added to United Crusade Drive

Two Albany women have accepted new responsibilities as leaders of the 1959 Albany United Crusade residential campaign, according to Mrs. Everett L. Bertillion, United Crusade's Alameda County residential division chairman. Building a strong and enthusiastic volunteer organization for the October door-to-door solicitations here, are Mrs. Clarence R. Quick, 929 Ordway Street, and Mrs. Lee A. Seidell, 958 Ordway Street, chairman and vice-chairman respectively of Albany's residential division.

The United Crusade goal in Alameda County this year is $2,627,358, to help finance the programs of 89 health, welfare and youth guidance agencies. In Albany, with its overall goal of $12,393, the objective of the residential division is $2,700.

Mrs. Quick, who has served in many capacities as a Crusade campaigner, was Albany's residential division vice-chairman in 1957. She is currently a member of the board of directors of the Berkeley Chapter, American Red Cross, a participating agency in the united fund appeal. Formerly active in Girl Scouting, another Crusade supported service, Mrs. Quick served as chairman of the Girl Scouts' volunteer hospital aide program. She is a former PTA president and officer of the Berkeley-Albany Council of PTA and has been active in the Northbrae Community Church and Sunday school for a number of years. The Quick family includes Doris, a sophomore at the University of California, and Roger, a senior at Albany High School.

Mrs. Seidell also is a veteran Community Chest, United Crusade and Red Cross volunteer. A resident of Albany for 10 years, she is a past president of the Cub Scout Pack 3 Mothers' Club, a former den mother and is active with the Mothers' Club of Boy Scout Troop 19. Last year she served as president of Marin School PTA. Her sons, Larry, 16, and John, 10, attend Albany High School and Marin School.

TRANSIT EXPERTS ADDRESS COUNCIL

Members of the Albany City Council together with a moderately filled council chamber, heard representatives of the Alameda-Contra Costa Transit District explain the plans and objectives of that organization, and the need for the $16,500,000 bond issue which will come before the voters on Tuesday, October 20.

By special action of the Legislature the bond issue requires only a majority vote instead of the two-thirds usually specified.

The speakers were Robert K. Barber, president, and John R. Worthington, general manager of the East Bay group. They explained the major routes proposed, the express routes, and the number and types of new and used buses to be purchased by the district. In a question and answer period Councilwoman Zahn questioned the quality of service as proposed for the Albany district, and the lack of over-all appeal to a higher authority such as the State Public Utilities Commission. The Transit District will be the last word in appeal on routings and other actions it may take within the wording of the setting up of the District by the Legislature.

The council, on motion of Vice-Mayor Keck, approved a proposal to ask for a thorough and official inspection of the city's buildings by State officials, including the Fire Marshal, the Building Department, and the Health Department. The Mayor explained such action was advisable as a safety measure, the council being responsible for maintaining the buildings in a safe and operating condition. Mrs. Zahn dissented.

Moved by Keck, seconded by Zahn, the council approved a proposal to inspect and try out a tape-recorder, permitting use of a 3-hour continuous tape, for recording the word-for-word proceedings of the council.

'Unusual Court Cases', Topic at High 12 Club

Gartner Thomas, newly elected president of the Albany High Twelve Club, will be the speaker at the club's regular luncheon meeting this Friday noon at the Red Barn Restaurant. His subject will be "Some Unusual Court Cases and Verdicts."

Newly elected and appointed officers of the club are as follows:

President, Gartner Thomas; First Vice-president, George Irwin; Second Vice-president, Walter Kees; Third Vice-president, Jack Timmers; Secretary, Walter L. Holland; Sergeant-at-Arms, Crawford Norman; International Representative, Roy Harford, and Louis J. Hardie, Chaplain.

Board of Directors: John H. Robins, Harold Denham, George Hollfelder, John Curtis, Dr. William R. Ross and Fred Lennox. Delegates to the San Diego convention, October 15-16-17, are Cecil N. Lavers, Roy Harford, Gartner Thomas and Walter L. Holland.

Mrs. Wisewell Dies in S.F.

Mrs. Edna Wisewell, mother of Mrs. John Dietschy, teacher at Albany High School, died recently in San Francisco. A former resident of Albany, Mrs. Wisewell is survived by her daughter and two granddaughters, Ellen and Carol Dietschy.

Olsen Party Gets First View of Alps; Visit Swiss Cities and Reach Paris

(Editor's Note: This is the third instalment of the Olson party's tour of Western Europe. They visit Freiberg in southwestern Germany, tour Switzerland, and then cross France to Paris).

By MAY ELLIS OLSON

On our way to Lucerne, Switzerland, we stopped at Freiberg, Germany, and lunched at the Baer Inn, the oldest in Germany. A charming sight were chimney pots with storks nesting in them.

As we drove over the crest of a high mountain, we caught our first glimpse of the towering, snow-covered Swiss Alps. The highway dropped down a thousand feet or more, before we came to Lucerne, a delightful city. Many of the buildings are covered with huge pictures painted in gold and brilliant colors.

We went by boat across Lake Lucerne to board a cog-wheel train, up a cog-track, 77000 feet to the peak of Mount Pilatus. Here we had a breathtaking view of the city of Lucerne and many Alps and valleys. There was a lot of snow on the summit, with green patches lower down. These slopes were covered with spring wild flowers, red clover, deep blue gentians and daisies; but the elusive edelweiss was not in evidence. Back down the mountain we went, by cable car, swaying with the wind.

After crossing the famous 14th century covered bridge across the River Reuss, which runs through the center of Lucerne, we viewed the Lion of Lucerne. This is a beautiful carving in solid granite on the side of a mountain. It reminded us of our own Mt. Rushmore carvings.

Next stop was Bern, capital of Switzerland; a busy city; very commercial. We passed a number of quaint villages. Nearly all had barns attached to the houses. Our way led along the River Aar which runs through Bern. On the way to Geneva, our group stopped briefly in Lausanne. There we saw many fancy and unusual (to us) baby carriages or buggies, with fringed canopies and high fenders — the Cadillacs of babyland.

MAY AND HAROLD OLSON on the broad esplanade upon which the famous French Palace of Kings, Fontainebleau, faces. The Palace of Fontainebleau during the long procession of kings in the Sixteenth, Seventeenth and Eighteenth centuries was the center of the world of fashion and etiquette. The palace is approximately 30 miles to the southeast of Paris. Its gardens and parks are notable for their beauty.

We went on to Geneva. This name is closely associated with Peace but actually means "Spot near the Water." Lake Constance, better known as Lake Geneva, 45 miles long and 8 miles wide, is set like a jewel in the center of the city. A fountain, situated offshore, shoots a stream of water into the sky. The lake is surrounded by beautiful flower beds. One of them is the famous flower clock. The face and numerals are formed entirely of various colored flowers. It also tells the time.

Like most European cities, the older part of Geneva has a series of squares and very narrow streets. On the lake front stands the ornate tomb of Prince Karl von Brunswick. He died in 1873, leaving the city over a million dollars, with the expressed wish to be buried facing the lake he loved. Ironically, when architects' plans were completed, his tomb was found to be facing the opposite direction.

We drove along President Woodrow Wilson Avenue, past the first home of the League of Nations, now flying the U.N. flag; past the home of Gromyko, where the Russian delegation was in residence during the conference of Foreign Ministers.

We left the beautiful city of Geneva, soon crossed the border into France, and very soon started to climb up and over the Jura Mountain range. We passed many beautiful and quaint resorts and villages. We paused on a village street for a moment to watch a French woman stuffing sausages and hanging them up to dry; traveled on through Dole, birthplace of Pasteur; through the village Sen, where we paused to inspect a beautiful, very ancient cathedral containing a lovely shrine and relic to St Theresa (Little Flower).

Eventually, we arrived in Dijon, population 150,000 and capital of France. Dijon is a very old and dirty city, with narrow, winding, cobbled streets and ancient buildings smelling of age. We left Dijon early next morning on our way to Paris We drove along the Canal of Burgundy; stopped briefly at Avalon, visiting a small inn where Napoleon stayed on his return from Elba in 1815. Our route to Paris led through many ancient villages and towns built in the 12th and 13th centuries.

As we neared Paris, we took a short detour to Fountainebleau Palace, once the home of Marie Antoinete and Louis XV. It started as a hunting lodge for the kings of France. Approaching Paris, we suddenly spotted the Eiffel Tower, our American symbol of Paris .We knew we were almost there, at last! We drove along boulevards lined with horse chestnut trees all in bloom.

Our hotel was located on the Boulevard Haussman. Our first night in Paris we attended the Folies Bergere — beautiful theatre and a breath-taking show. There were lots of beautiful French girls and a very enthusiastic audience. From our hotel window, the lights on the Eiffel Tower twinkled good-night.

Next morning our guide for the day was Odette, an attractive French girl who spoke several languages, ended each statement in English with "voila!" Odette took us first to Opera Square. L'Opera, built in the 19th century, has a huge stage where one thousand people can appear at one time. Later, we stopped for a snack at the sidewalk cafe of the famous Cafe de la Paix.

We passed Vendome Square, saw the old Russian Embassy in which Chopin died, Cartiers, the renowned jeweler, and the Hotel Ritz. Also, we spent some time in Square de Concorde. It has a huge fountain at each end, with an Obelisque in the center. This was a gift to King Louis Phillipe from Mohammed Ali Pasha, in 1836. Originally, it came from a temple and was made in the 13th century before Christ. Marie Antoinete, Louis XVI, and many others were beheaded in Concorde Square. Just off the square, is General DeGaulle's home, once the residence of Madame Pompadour.

Driving down Champs de Elysees, (which runs straight across Paris) we came to the Arc de Triomphe. The Arch stands in the Place d'Etoile. Here, the unknown soldier is entombed, and the eternal flame has been burning since November, 1920. We went by elevator to the top of the Arch and had and unrestricted view of the twelve, tree lined avenues that fan out from it. One of them is the Avenue Foch, named for the great French Marshal. A pink marble edifice on this avenue is owned by the Gould heiress who married a French nobleman. The meeting of the Big Four was held in this house in 1954. Gromyko wished to purchase the home but the owner, now eighty years old, will not sell, so the building stands unoccupied.

We finally reached the Eiffel Tower, or "Tour Eiffel," built for the exposition of 1889. We traveled the thousand foot height on the elevator at a cost of 500 francs. We had lunch and a breath-taking view of 'Gay Paree' and the River Seine.

We visited Napoleon's tomb, a great sarcophagus, hewn from a solid block of Finnish red marble. In the same building are the tombs of Napoleon's son and other members of his family. Here, too, is the tomb of Marshal Foch. The entire tomb is in bronze, composed of six life-sized statues of his uniformed men. They hold on their shoulders the casket containing the Marshal's remains.

We toured Monte Martre and visited the Basilica of Sacre Coeur, a beautiful, pure white marble building. It was Sunday and first communions were in progress. Accompanied by their teacher-nuns and their families, were lines of little girls in veils, with white prayer books and rosaries, devoutly entering the church. The inside of Sacre Coeur

Advice to the man who wants no regrets—

How to choose a watch

that will give years of faithful service

FEW PEOPLE know how a watch operates, or "what makes it tick." It's best to leave this knowledge to experts – just as you depend on your doctor or lawyer for professional advice. Your reliable jeweler is such a man, with many years of experience and training. He thoroughly understands what makes a watch a superb precision instrument created through scientific research by skilled craftsmen.

Your jeweler knows that the lure of low prices may be hard to resist, but he also knows that cheap watches may prove costly in the long run. Frequently, "cheap" watches cannot readily be repaired because replacement parts are not available at stores in which they are sold and must be returned to the factory of the maker for service – a time-consuming operation. Furthermore, you may suffer risk of painful embarrassment of having presented someone with an inferior gift.

Don't be misled! Buy with confidence – protect yourself – by choosing a watch guaranteed by both reliable manufacturer and your reliable jeweler. Learn *all* the facts about buying a truly fine watch – the best value for your money – from any of the reliable jewelers listed in this ad.

OBITUARY

CUMMINGS:

Private family funeral services were held on October 1, for Helen Ford Cummings, at the Drawing Room Chapel of the Ellis-Olson Mortuary. Mrs. Cummings passed away in Berkeley on September 30, after a lengthy illness. She was a native of Patterson, New Jersey, and had lived in California for 76 years and in Alameda County for 55 years. During and after World War II she was active in Red Cross, working with surgical dressings for that organization. She is survived by two sons, Ross Cummings of Berkeley and Charles E. Cummings, Master of Albany Lodge of the Masons. She also leaves five grandchildren and one great grandchild. Private inurnment followed at the Chapel of Memories.

DIEHL, WILLIAM (BILL):

Beloved husband of Laura Diehl, loving father of Barbara Lee Diehl; a member of Richmond Lodge No. 550, L.O.O.M. and Marines Memorial Association of San Francisco. A native of California, aged 51 years.

Funeral services were held at the Estudillo Chapel of The Santos-Robinson Mortuary, 160 Estudillo Avenue, San Leandro, Tuesday, September 29, at 2 p.m., with the Reverend Jesse H. Parker officiating.

WISEWELL:

Private family services were held at the Ellis-Olson Mortuary last week for Mrs. Edna Louise Wisewell, who passed away at a San Francisco hospital after a brief illness. She was a native of Sayre, Pennsylvania, having resided in the San Francisco Bay Area for the past 36 years. She was the mother of Mrs. Constance W. Dietschy, a teacher of English at Albany High School, and well known in Albany. She also leaves two grandchildren, Ellen and Carol Dietschy. After funeral services private inurnment followed at Sunset View Cemetery.

Olsons Hold Party For Senior Citizen Groups on Oct. 4

Harold W. and May Ellis Olson hosted a Sunday afternon supper for 150 members of the two Senior Citizens Clubs of Albany. Supper was served at 4:30 p.m., in the auditorium of the Albany Community Center, made available for the affair through the cooperation of Mr. Elmer Nelson Director of the Albany Recreation Department.

Sprays of ivy decorated the center of the long tables along with figures brought by the Olsons from Europe on their recent trip.

Those seated at the head table were W. A. Mulligan, President of the Masonic Avenue Seniors, and Mrs. Winifred Mulligan, Mrs. Caroline Matthews, First Vice President, Mrs. Emma Claymore, Second Vice-President, and Mrs. Minne Ingraham, Secretary. Mrs. Virginia Gill, Treasurer, could not be present. Also Mr. Morton Goss, President of the Community Center Seniors; Mrs. Lillian Goss, Treasurer; Mrs. Ethel MacQuart, Vice-President; Mrs. Anna Wilkes, Secretary, along with Mr. and Mrs. Olson.

After a few words of welcome and a prayer, supper was served.

William Mulligan, President of the Masonic Avenue group, was called on to speak, as was Morton Goss, President of the Community Center group. Other guests introduced included Mrs. Daisy Roth, President of Live Oak Senior Citizens; Mrs. Antoinette Gallemore, program director of the Albany Recreation Department, and James Hallihan of the Recreation Department.

After supper, the Olsons told of their recent tour to Europe along with the showing of colored slides taken on their trip.

Back to School Night Thursday At Albany Hi PTA

Albany High School PTA will stage its annual "Back to School Night" beginning with dessert buffet in the school cafeteria at 6:30 p.m. tonight, Thursday, October 8. From 7:30 to 9 p.m., parents will go through an abbreviated schedule of their childrens' classes to meet the teachers and acquaint themselves with subjects the students will be studying this year.

Mrs. John Ellinger and Mrs. Gordon Hearn are in charge of arrangements for the evening.

This meeting will afford parents an opportunity to enroll in the PTA, which is in the midst of its membership campaign directed by Mrs. Michael Silvester and Mrs. W. O. Foott. The chairmen report that 88 members were registered before the campaign opened Monday. This figure included 29 faculty members enrolled by Mrs. May Andolin, teacher representative. The organization hopes to attain about 800 members. The previous high was in 1957, when 740 members enrolled Mrs. Frederic N. Brown, 1959-60 president, was membership chairman that year.

Although no contests are planned on the high school level, the percentage of participation by advisory groups will be recorded

A WONDERFUL NEW WORLD OF FORDS FOR 1960

FINEST FORDS OF A LIFETIME

This new Ford Galaxie, like all the new, beautifully proportioned 1960 Fords, is styled from a new viewpoint. Traditional automotive elegance combines with modern design in the style of a new decade!

In 1960, for the first time in history, your Ford Dealer presents not one, not two, but *three new lines* of Ford cars . . .

1. The 1960 Fords—The Finest Fords of a Litetime, beautiful from any *Point of View*, worth more from every *Point of Value!*
2. The 1960 Falcon—The New-size Ford, the world's most *experienced* new car and the easiest car in the world to own!
3. The 1960 Thunderbird . . . The World's Most Wanted Car!

Now you can *see* them—the Finest Fords of a Lifetime! Economy-minded Fairlanes. Big-value Fairlane 500's. Elegant Galaxies. A breath-taking new Sunliner convertible and a brand-new hardtop model, the flashing Starliner. Then there's a whole new world of Station Wagon Living, too. It all adds up to 15 glittering variations of the world's newest, most elegant styling theme!

And Ford sets the new trend in power. Ford's Thunderbird 292 V-8 and 352 V-8, like the famous Mileage Maker Six, bring a new world of smoother, hotter performance—on *regular* gas.

To top it all, the Finest Fords of a Lifetime are priced for savings. Ford is still priced to outvalue all comparable models of its major competitors.

Ford savings, however, only *begin* with a low price. You save still more with engines that thrive on regular gas and save up to a dollar on every tankful . . . a Full-Flow oil filter that lets you go 4,000 miles between oil changes . . . Diamond Lustre Finish that never needs waxing . . . aluminized mufflers that normally last twice as long as conventional types . . . new, safer, Truck-Size brakes that are the biggest ever in Ford's history . . . and new soft-tread, Tyrex cord tires that run quieter, last longer.

In every way these are the Finest Fords of your Lifetime! See them at your Ford Dealer's!

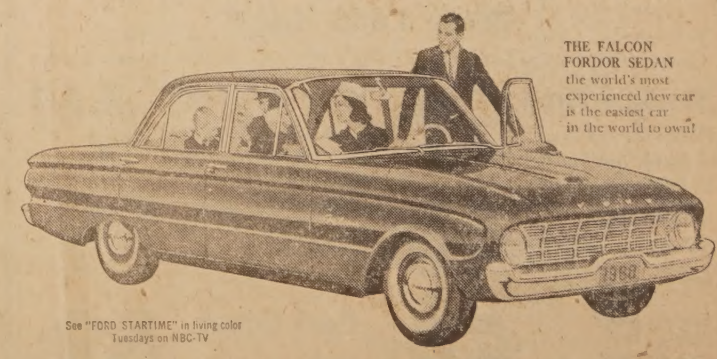

FORD DIVISION, Ford Motor Company

Introducing the New-Size Ford . . . the 1960 Ford Falcon

Meet the New-size Ford—the Falcon! Here's a car with plenty of room for *six* big adults and all their luggage. It's sized to handle and park like a "small" car . . . powered to pass and climb like a "big" car . . . and built like *no* other car for savings!

It gives you up to 30 miles per gallon on regular gas. Aluminized mufflers normally last twice as long as ordinary kinds. A Full-Flow oil filter lets you go 4,000 miles between oil changes. Even insurance can cost you less! And this Falcon is the world's most *experienced* new car. It was driven over every mile of numbered Federal Highway in EXPERIENCE RUN, U.S.A.—a grueling demonstration climaxing Ford's 3 years of development and testing.

The Falcon has the features that American car buyers *expect*. Its gearshift is on the steering column—*not on the floor*. Its engine is located *up front* for greater stability and safety. Best news of all is the Falcon's low, *low* price. See it at your Ford Dealer's . . . and see the *difference!*

THE FALCON FORDOR SEDAN the world's most experienced new car is the easiest car in the world to own!

Rev. Blacklidge Engagement To Dr. Young Told

Recently announced was the engagement and approaching fall wedding of Rev. John H. Blacklidge to Dr. Virginia E. Young.

The groom-to-be is the rector of St. Alban's Episcopal Church of Albany. He is the son of Mrs. Robert Morris Blacklidge and the late Mr. Blacklidge. A graduate of Ohio Wesleyan University and the University of Chicago Divinity School, he has served churches in the New York Annual Conference of the Methodist Church, and was curate at St. Paul's Episcopal Church of Baltimore, Maryland, before assuming his present pastorate in Albany.

Dr. Young is the daughter of Mr. and Mrs. R. Hence Young of Baltimore, and is currently a pediatric resident of the Children's Hospital of the East Bay. She is a graduate of Vassar College and the University of Maryland School of Medicine. She interned at Boston City Hospital, and took residency at the Children's Hospital of Michigan, prior to coming to Oakland.

The couple will make their home in Albany.

LEGAL NOTICE

ORDINANCE NO. 59-019
AN ORDINANCE OF THE CITY OF ALBANY AMENDING ORDINANCE NO. 351 TO REZONE THE REAL PROPERTY HEREINAFTER DESCRIBED FROM SECOND RESIDENTIAL DISTRICT CLASSIFICATION TO THREE STORY COMMERCIAL DISTRICT CLASSIFICATION.

THE COUNCIL OF THE CITY OF ALBANY DOES ORDAIN AS FOLLOWS:

Section 1. That Ordinance No. 351 of the City of Albany as adopted on the 11th day of September, 1933, and amended thereafter, is hereby amended so as to change that portion of the district in which the real property hereinafter described is now situated and to exclude the said real property from its present classification as Second Residential District and to include said property in the Three Story Commercial District as said term Three Story Commercial District is defined and used in Ordinance No. 351 as amended.

Section 2. The said described real property is subject to such use, restrictions and regulations as in said Ordinance are provided for property included within said Three Story Commercial District.

Section 3. That the Map described as "Zone Map of the City of Albany" and referred to as such in said Ordinance No. 351, as amended, is hereby amended to show said hereinafter described real property to be situated in the Three Story Commercial District and a Map showing said property is attached hereto and

made a part hereof, and shall be published with the publication of this Ordinance, said Map being designated as Exhibit "A". Said real property is situated in the City of Albany, County of Alameda, State of California, and is described as follows:

Lot 25 in Bloc 16 Amended Map of Sunset Terrace.

Section 4. This Ordinance shall be published once in the Albany Times, a newspaper of general circulation within the City of Albany, which said newspaper is hereby designated for that purpose, and shall become effective on and after its final passage, adoption and publication.

Olson Party Reaches Paris

gave one a feeling of spiritual peace. Above the altar is a mosaic of the Sacred Heart.

Wandering through the square of Monte Martre, we recalled the French artists Toulous Lautrec, Monet, Utrillo, and others, who painted here so many of their now famous works. It is filled with the atmosphere af gaiety.

Next, we came to the Palace of the Louvre, for many years the home of French kings, but now a national museum. There are several miles of buildings which were built in the 14th century. It would take more than a month to see all the beautiful things contained in these buildings. We did see Mona Lisa, with her knowing smile painted by Leonardo Da Vinci, Rembrandt's self portraits in many poses, Venus de Milo, so much bigger than we imagined, Winged Victory, sculped in marble in the 2nd century B.C., to name only a few. There is also an exquisite collection of hand-wrought cups, plates, vases, etc., carved of Jade, Rose quartz, Amethyst, Lapis-lazuli and Amber. All are part of the collection of the Gems of the Crown of France. We saw the 137 carat, Regent diamond, valued at twelve millions, set in a ring, and a jeweled sword used at the coronation of Louis Phillipe. In the Colonade of the Cour Curree, are enamels, ceramics, and tapestries of the Renaissance.

We left the Louvre with regret, hoping to go back someday. Almost immediately we had our interest aroused by the Crown of Thorns Church. It is said to contain the crown of thorns worn by our Lord when he was crucified. This holy relic can be seen by the public one day a year.

Our next stop was the Sorbonne, famed university of science, but a very austere, old and smokey group of buildings. We went on to the Cathedral of Notre Dame. It was started in 1163, completed in 1250, and is the home of the famous blue and rose windows. A pilgrimage for cripples was being held. The vast church (where 5,000 people can be seated and 10,000 stand in the central nave) was filled. The decades of the rosary, repeated in French, rose to the roof of the huge building, seemed to be suspended there a moment, and then drifted away to a whisper. Several small chapels along the sides of the church are dedicated to saints.

(To be continued. The fourth and last instalment of Mrs. Olson's story will describe the remainder of the tour in Denmark, Sweden and Norway.

Chamber Chatter

(Continued from Page 1)

hard working Albany United Crusade Drive Chairman Bert Griffin and his volunteers put the Albany Crusade over the top.

Don't forget Albany Dollar Days, and in correction it is dollar days, next week, Thursday, Friday, Saturday, October 15, 16, 17! All Albany merchants are asked to participate with some really "big specials" . . . patronize these merchants who make possible our "city of homes". Remember the "Buy Words; The Best Buy is to Buy in Albany."

Some big things are in the offing for your Chamber of Commerce . . . There will be a meeting of all San Pablo and Solano Avenue Merchants Wednesday, October 14, at the Veterans Memorial Building to plan for the coming months' retail activities, including Christmas. A general membership luncheon is planned with special invitations to all new businesses in Albany this month and really big news is "Albany Day" at Golden Gate Fields, is in the planning. Watch for details of these and many more.

Everyone needs light bulbs, so don't forget to see a Lions Club member. Their annual Lite-A-Thon began Tuesday, October 6 . . . their aim is to make Albany the best lighted city in the Bay Area.

A very special tribute to a very special Albany business woman, Monica "the busy gal" of Monica's Flower Studio, 1552 Solano Avenue. Don't miss her Preview of Fall and Christmas Decorations Open House October 16 and 17. Congratulations Monica on all your achievements.
